Mohammed Abdel Ilah Neggache

Motion Graphic Designer · Video Editor · Content Creator

PROFESSIONAL SUMMARY

Motion Graphic Designer and Video Editor with 3+ years of hands-on experience in short-form social media content, explainer videos, branded motion graphics, and cinematic video production. Proficient in After Effects, Premiere Pro, and Photoshop. Co-founder of Next Horizon, a motion graphics studio serving SaaS and B2B companies with video marketing, YouTube editing, Instagram Reels, and brand animation. Full end-to-end production capability: editing, sound design, and motion graphics, including a solo-produced YouTube video that reached 1.1M+ views. Skilled in AI-assisted content creation using Claude AI, ChatGPT, ElevenLabs, and Freepik AI. Freelance track record of 72+ completed orders with 4.8★ rating. Fast learner who consistently delivers high-quality video content on deadline.

PROFESSIONAL EXPERIENCE

Motion Graphic Designer & Video Editor

Meteor Dash, Marketing Agency, Algiers · Aug 2025 – Feb 2026

- ▶ Produced motion graphic videos, branded reels, and promotional campaigns for major Algerian companies: Casbah DZ, Obei Moula, and others
- ▶ Designed and edited short-form social media content (Instagram Reels, YouTube Shorts) optimized for engagement
- ▶ Handled on-location video shooting and managed end-to-end post-production workflow
- ▶ Generated and retouched AI images using Freepik AI + Photoshop for client campaigns
- ▶ Developed content messaging strategy and brand communication skills in agency environment
- ▶ Won internal company design competition and received a PS5 prize (Mar 2025)

Co-Founder & Lead Motion Graphics Designer

Next Horizon, Motion Graphics Studio for SaaS & B2B · Apr 2025 – Present

- ▶ Co-founded and operate a professional motion graphics and video production studio
- ▶ Deliver motion graphics, explainer videos, YouTube editing, and Instagram Reels for SaaS and B2B clients
- ▶ Designed, built, and maintain the full studio website nexthorizon.art (HTML, CSS, JS) including a mobile Android app
- ▶ Manage client pipeline, project delivery, and brand positioning in the Algerian and international market
- ▶ Integrate AI tools (Claude AI, ChatGPT, ElevenLabs) into production workflow for faster turnaround
- ▶ Worked with brands: Casbah DZ, 99Fx, JustMarkets, Axi, Mualqa

FREELANCE EXPERIENCE

Motion Graphic Designer & Video Editor

Fiverr / Upwork / Freelancer.com · 2023 – Present

- ▶ 72+ completed orders on Fiverr with 4.8★ average rating across illustration and video editing services
- ▶ Delivered motion graphics, animated explainers, and video editing for international clients on Upwork
- ▶ Designed a complete food preparation infographic/menu for an international client on Freelancer.com (rated 5.0★, \$190 USD)
- ▶ Delivered full end-to-end production (editing, sound design, and motion graphics) for a football-gaming YouTube channel with 6.7M+ subscribers, including one video that reached 1.1M+ views (1,102,893)
- ▶ Created anime-style illustrations, character designs, and custom visual brand assets
- ▶ Completed video editing projects on Khamsat (2024) for skill development and local market exposure

NOTABLE ACHIEVEMENTS

- ▶ Built nexthorizon.art from scratch, a full-featured studio website with client portal, blog, subscriptions, and Android app
- ▶ Mastered motion graphics in under 3 months (Feb–Apr 2025) to production-ready professional level
- ▶ Solo-produced a full video (editing, sound design, motion graphics) for a 6.7M+ subscriber YouTube

channel that reached 1.1M+ views (1,102,893)

- ▶ Won Casbah DZ company design competition and received a PS5 (Mar 2025)
- ▶ 72+ Fiverr reviews with 4.8★ average, consistent quality across 3+ years of freelancing
- ▶ Invested in professional camera production setup: Canon 700D, DJI Mini 3 stabilizer, professional lighting
- ▶ Currently developing AI-powered cinematic video processing as a new service offering
